

STAC update

STAC meet on a quarterly basis, and as a reminder, here are the terms of Reference for the Scottish Technician's Advisory Council.

Aims:

To represent the Scottish School Technician professional community and advise SSERC on matters relating to:

- Professional development needs of school technicians
- Qualification frameworks to support professional development of school technicians
- Technician based projects and activities

To receive regular reports about the progress of Technician based projects and activities including those relating to professional development and qualification frameworks.

To act as moderators for the Scottish School Technician Virtual Network (Techné)

To support and to act as advocates for:

- the Scottish School Technician professional community
- the work of SSERC with particular reference to supporting the Scottish School Technician professional community

Membership:

Each Scottish Local Authority will have one technician representative on the Council.

SCIS will have one technician representative.

Jordanhill College will have one technician representative.

SSERC will have three representatives: CEO, Technician Project Officer and Technology Education Manager.

A Chair will be appointed by the Council at its September meeting.

The SSERC Technician Education Officer will act as secretary to the meeting.
